Travel Tracker	 An interactive web application that allows users to keep track of their travel destinations with a "pin" on a digital map. 	HTML, CSS, JavaScript, Bulma, MySQL, Sequelize, Insomnia, Google Map API, VSG, GitHub		
Brewery Locator	 Uses two separate APIs to allow users to search for a brewery by location and generate a random joke for them to use when they get there. 	HTML, CSS, JavaScript, Bulma, Brewery API, Joke API, Local Storage, GitHub		
Professional Experience				

The Haverford Trust Company

Marketing Communications Coordinator

April 2022-May 2023

- Maintained the company WordPress site, including creating new content and updating existing content.
- Collaborated with business partners to write, edit, and produce RFPs, leading to new business for the company.
- Compiled and distributed analytics from social media, email, web, and digital marketing campaigns to examine trends and areas of continuous improvement.
- Developed content for marketing initiatives including collateral, web, social media, and presentations.
- Created and scheduled social media content for LinkedIn, adhering to a strict calendar schedule and compliance standards.

Chartwell Investment Partners

April 2021-April 2022

Marketing Associate

- Updated quarterly marketing materials including fact sheets, commentaries, and presentation books under strict deadlines.
- Created, scheduled, and posted content for LinkedIn while adhering to compliance standards.
- Collaborated with internal stakeholders, including investment managers and analysts, to fulfill ad-hoc marketing and business requests.
- Regularly updated investment data on databases including eVestment, Mercer, MoneyManager, and Broadridge.
- Ran and distributed investment performance reports out of several investment databases including APX, FactSet, and eVestment.

The Vanguard Group

January 2018-November 2020

Operations Associate

- Fulfilled sensitive financial and clerical requests on behalf of clients while ensuring quality of service.
- Actively communicated, both via written and verbal communications, with clients to gather information needed to complete their requests and meet their needs.
- Collaborated with both internal and external business partners, helping them solve client requests or reaching out to them for additional information to complete a client request.
- · Reviewed and edited department-wide manual instructions which resulted in both error reduction and overall process improvement.
- Developed training materials, served as a subject matter expert, and provided mentorship to new-hire employees.
- Helped lead a regulatory compliance team that produced mandatory reports sent to FINRA.
